CONTRACT NO. 4400008804
CONTRACT FOR PAVEMENT DISTRESS DATA COLLECTION
STATEWIDE

Questions & Answers:

Q1: Can you provide a map and data base of the 1940 miles to be skid tested and a sample report?

A1: The skid testing roads have NOT been identified. These will be identified based on the projects that have been let in the previous 5 year timeframe.

Q2. Is there an incentive or penalty part of this contract?

A2. No

Q3. Are we to include in DOTD form 24-102 a technical overview submission with details of the data collection vehicles, equipment, subsystems and any other pertinent details?

A3. Yes

Q4. Does the Prime Consultant have to be registered with LAPELS?

A4. That is standard language in our advertisements. Based on the minimums in the advertisement this would not apply so therefore you would put N/A.
